Barclay Patents - Switzerland

Dear Jack:

Thanks for sending me the proposed papers on this matter. Ed Bailey is reviewing them right now and we will subsequently be discussing the subject with him. We will then be back to you with any comments.

I believe that under normal Swiss practice FTR Neuchatel would write a formal letter to Brown & Williamson in advance of its filing and serving the legal papers. Could you advise when you expect this to occur since we may wish, as a matter of courtesy, to have a PM New York executive telephone B & W in advance of any communication by FTR.

Sincerely,
